Message from our Principal....

Tēna koutou katoa, Goeie dag, 안녕하세요, أهلا, 您好, こんにちは, ,
Welcome.....

Our school production week has started very successfully with two matinees now completed and two evening performances to come. The excitement and anticipation of performing has been clear to see on all students faces.

The staff have worked tirelessly throughout the term to prepare for our production and I would like to take this opportunity to thank them for their incredible efforts.

I would also like to make special mention of Mrs Jessica Young, who has done a fantastic job in writing, casting, coaching, organizing, scheduling and planning the production. Your dedication and calm approach have made this production a joy and success for the whole school. For this we thank you.

We hope our parent community has been able to or can join us in celebrating our students and the performing arts.

Electric Scooters/Skateboards/Segways

It has come to our attention that there have been a number of near misses involving our students using e-scooters and other motorised modes of travel. These modes of transport, whilst not licenced, operate at a similar level to motorised vehicles.

Out of concern and caution for the safety of our students, the school **Board of Trustees have decided to ban the use of e-scooters, e-skateboards and segways, effective from the start of next term.**

This decision has been made in order to prevent the potential of serious accidents from happening in an already congested area of traffic for our students. We know that students who use these modes of transportation will be disappointed, but keeping students at our school safe is the most important thing to consider.

Students are welcome to use non-motorised scooters or bikes to get to and from school providing they are wearing appropriate safety helmets. We thank you for your understanding and support.

Kind Regards,
Hayden Iles

Congratulations to Eunice Chan who represented New Zealand in the 21st International Handbell Symposium (IHS) at Hamamatsu, Japan, 12-17 August 2024

Hamamatsu 2024

I was selected by the President of the Handbell Society of Australasia (HSA) to be the flag bearer of New Zealand during the flag procession in the opening ceremony. I was also the youngest ringer in this symposium. In addition, our team (ACPC Ringers) performed a New Zealand folk song Po Atarau in the solo concert as a handbell quartet, performing the whole song with only four people.

There were so much fun and learning from the renowned handbell masters in the symposium and I really enjoyed it. The songs were so challenging that my team spent more than six months preparing. I made use of all my free time to reach out around the event hall, meeting people from every country and made a lot of new friends! Japan has a really cool style and really good food but every day was 34 to 39 degrees hot!
