Strategic Plan 2026 - 2028

Our mission is that every learner will reach their potential by being confident, connected, curious and creative.

CULTURE

Sustain a safe, positive, and inclusive environment that values diversity, deepens community partnerships, and fosters strong collaboration.

CURRICULUM

Prepare, implement, and embed a scoped and sequenced curriculum that enables all students to build knowledge and skills in a structured, sustainable way.

PEDAGOGY

Strengthen staff capability to embed and sustain Science of Learning approaches and robust assessment practices that inform teaching and improve learner outcomes.

Our School Values
